

# **2006 Rally Training Seminars**

Presented by Santa Monica Sports Car Club/SCCA Cal Club

## **It's a Short Trap Rally, And You Don't Have to Stay on Time**

Come join us on Wednesday, July 26, for the next in our series of rally training seminars. This time we are starting with a short trap rally, which starts at the FFN start location and then finishes at Shakey's Pizza in North Hollywood. Be at the Bank of America rear lot (at Sepulveda and Devonshire, in Mission Hills) by 7:45 pm to get your route instructions. The rally will take you from there to the finish location, although not on the most direct route! There will NOT be assigned speeds for the rally; instead there will be a time limit in which to finish. At the Finish, we will discuss the traps on the rally.

And, as always, it's free!!
